

## Westford Job Seekers Network

### 50 Tough Interview Questions

Wednesday, May 1, 2019

- Preparing for a job interview means being ready to answer the basic interview questions that almost every hiring manager asks – but it also means anticipating more challenging questions.
- Hiring managers don't ask because they're trying to be mean, or throw you off your game. These tougher questions have a purpose: they give the interviewer a deeper sense of who you are and whether you're a good fit for the company.
- We will get into small groups and try to answer the tough interview questions.

The J. V. Fletcher Library's "Westford Job Seekers Network" meets weekly on Wednesdays from 2 p.m. - 4:30 p.m. at the Library and **OPEN to ALL**.

There will be networking opportunities before and after the session. Join this group to expand your network of business contacts and discover new job opportunities.
